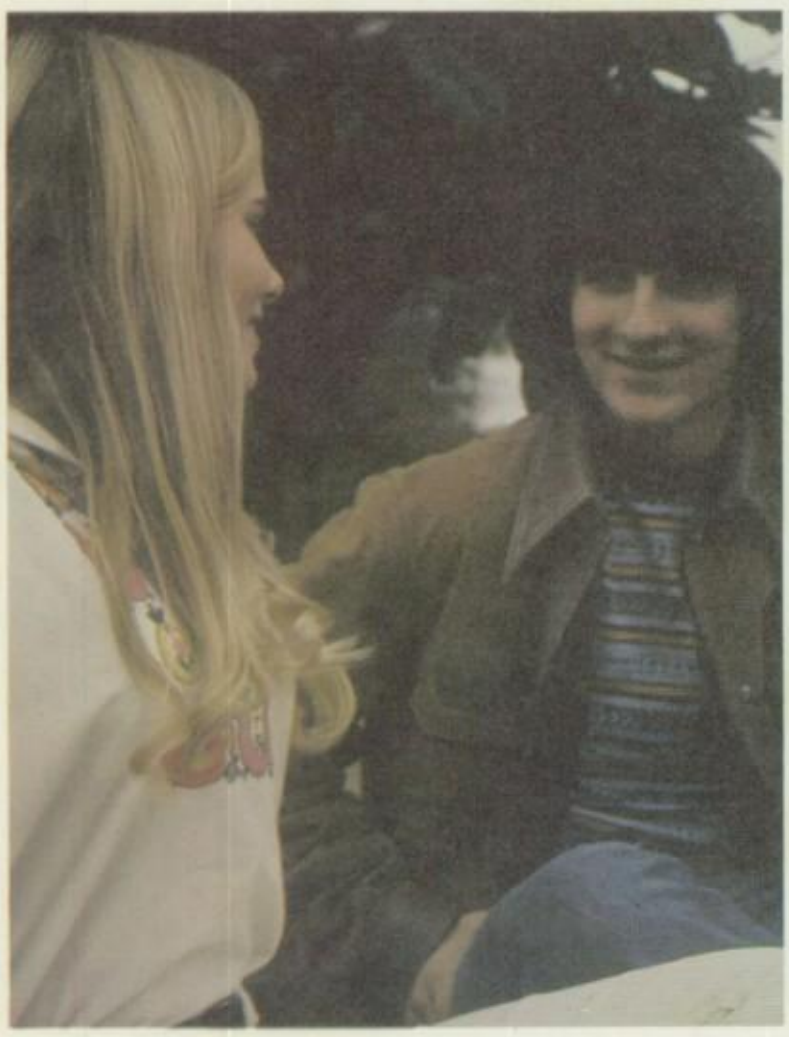
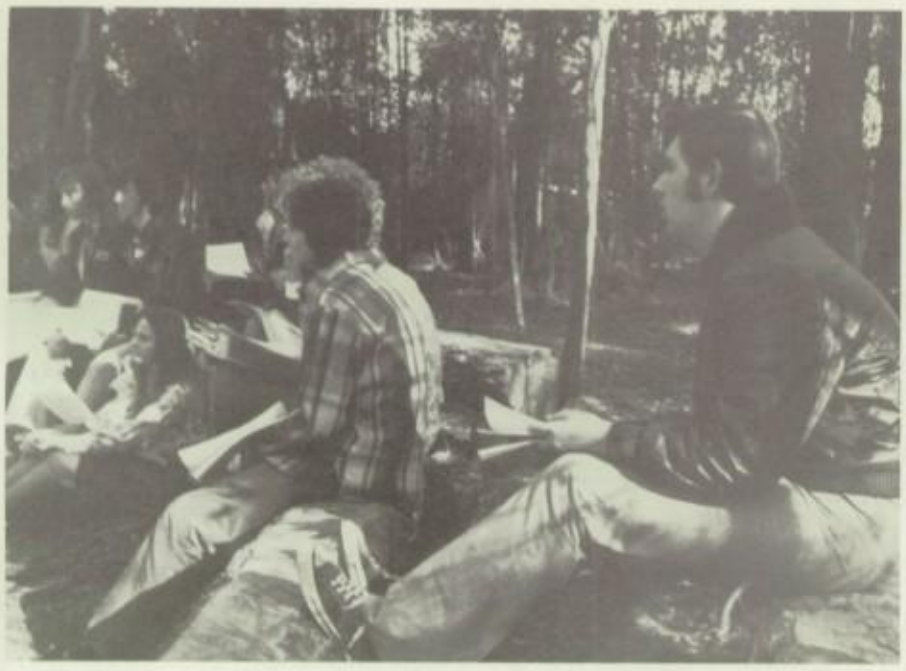
A Year To Remember



our forefathers
who, because they loved freedom
as much as life itself,
spoke out against oppression;
who risked all so a government
of the people, by the poeple,
and for the people
would rule them and their posterity.

Today
we celebrate the fact that because
of these men,
we live where freedom for all
is the law of the land.

We are free to live our lives as we see best.

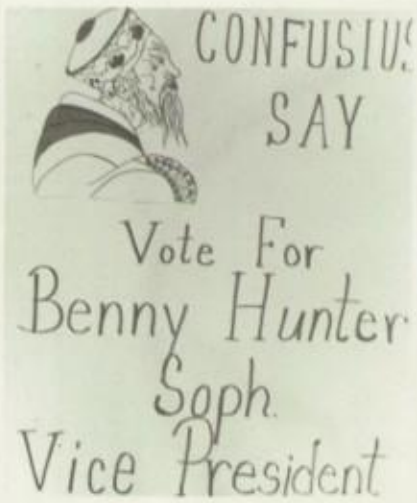


We are free to choose our friends, occupations, and the leaders who decide our future.

Our freedoms are precious rights we should protect.

We must remember the importance of our liberty, and never let apathy cause the loss of it.

Our forefathers knew the necessity of having freedom to insure happiness and were willing to give their lives to secure it.



AUTO
MECHANIC
LUFKIN
MUFFLER

In like manner, we should strive to keep the spirit, born in 1776, alive and active.
We owe it to our forefathers, ourselves and our descendents to keep the flame of freedom burning with the SPIRIT OF '76.

ACTION

As the new school year arrived, and summer activities came to a close, the halls of LHS were once again filled. Along with 554 returning juniors, 429 seniors, and 76 teachers, came 571 sophomores, full of anticipation of the new year.

In a way this year was unique, for the quarter system was introduced at LHS. This change was characterized by long lines and congestion at the counselor's office.

The first days were filled with new faces, laughter and a little work. After a while, students began to adjust and the learning and work began.

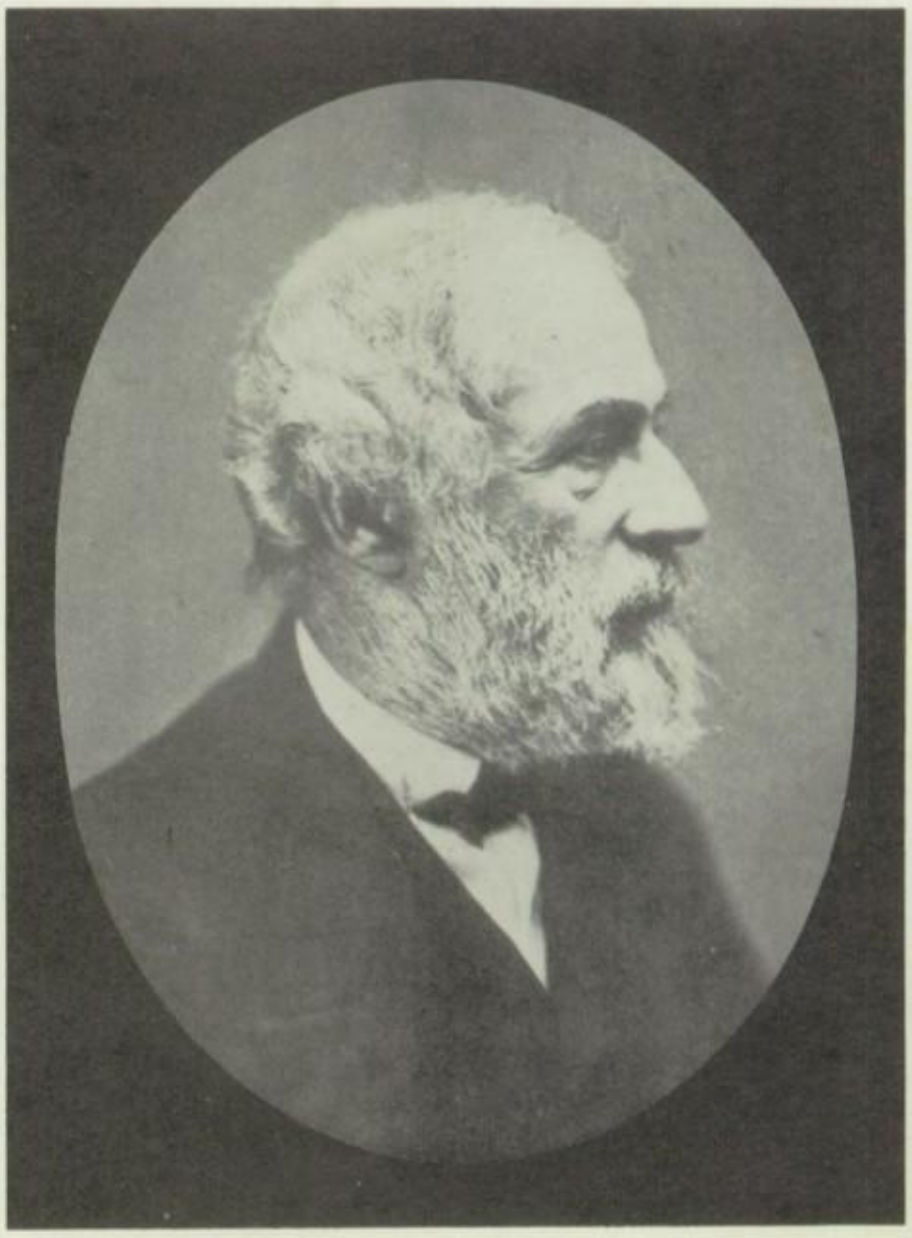
Robert Edward Lee commanded the Confederate Army during the Civil War. Although he fought for the south, Lee was against slavery and did not believe in secession. But he was also loyal to his home state of Virginia.

After the war, General Lee went back to Virginia. He was greatly admired by the people, of the south, in the words of northern General Ulysses S. Grant, "There is not a man in the Confederacy whose influence is as great as his."

As an example to southerners who admired him, Lee applied for pardon, under the Proclamation of Amnesty and Reconstruction of 1865, which would return to Lee his rights as a citizen. On August 2, 1975, 110 years after General Lee filed his application, the U.S. Congress approved the application and he received his pardon.



Mr. Jim Wright returned to Lufkin to assume a new role as LHS principal. In this position he is responsible for the entire school population, teachers, students, custodians, as well as the school's budget.

Mr. Wright originally came to Lufkin as a coach and biology teacher, then moved to Brownsbury, where he was athletic director. After returning to Lufkin as LHS assistant principal for two years, he served as principal of Navasota High School four years.

Of the LHS faculty and staff, Mr. Wright says "all these people are here for one purpose, and that's to aid the pupils. We try to make it as pleasant a learning experience as we can."

As superintendent for Lufkin Public Schools, Mr. Sam Slaydon finds one of the most significant changes during his tenure to be the greater emphasis placed on career education.

"I think our curriculum is reflected as our students enter additional educational — or work related-areas, indicating that Lufkin schools meet their needs," said Mr. Slaydon.

Serving his third year as superintendent, Mr. Slaydon believes that Lufkin High students appear to have a good attitude about school.

After serving six years as principal of Lufkin High School, Dr. Edwin Casburn moved into the position of director of instruction. He finished his Doctor of Philosophy degree at Texas A&M with a major in educational administration.

In his new position, Dr. Casburn worked district-wide with principals to develop curriculum and supervisory programs, as well as recruited, selected, and made assignments for new personnel.

Dr. Casburn says the increase in the number of clubs, the construction program, and the overall improvement in student attitudes highlighted the years he served as principal at LHS.

The Lufkin Panthers defeated the Brazoswood Buccaneers, defending state champs, 13-7 on Saturday, September 21.

Lufkin's victory marked the end of a 14-game winning streak for the Bucs. Their last previous defeat also came at the hands of the Panthers, when Lufkin ripped Brazoswood 15-0 in 1974. After that setback, Brazoswood went on to win the state championship with a 14-1 record.

This year's victory marked the first time the Buccaneers had ever been defeated in their home stadium, Hopper Field.

The Panthers 13-7 victory over the Brazoswood Buccaneers pushed their record to 3-0 and was by far the biggest victory of the season.

September 18, 1975 marked the end of one of the longest and most bizarre manhunts in American history. The 19 month search ended when FBI agents surrounded a small house in San Francisco capturing fugitive Patricia Hearst and three other members of the Symbionese Liberation Army.

Kidnapped on February 4, 1974, Patty Hearst was first a captive of the movement. Then unexpectedly she denouced her family as "capitalist pigs" and joined the SLA in their illegal activities.

When she was captured, Miss Hearst was arrested on 22 state and federal charges. The charges included armed bank robbery and possession of illegal firearms.

Larry Clark, Senior Citizen of the Month for September, believes that being involved in school activities is one of the most important goals a high school student can have.

Larry has received a number of football awards. During his first year at high school, he was voted Sophomore of the year. Larry is also a two-year varsity letterman and a two-year all-district linebacker.

Larry's activities do not end with football. While a junior he was elected class favorite and FCA secretary. He served as president of the Key Club and as a Student Council representative his senior year.

Junior Citizen of the Month for September was Stewart Henderson.

Stewart was on the tennis team and the Junior Class Council. As a sophomore, he was a member of the Sophomore Class Council, Key Club, Dramatics Club, PASF, and TV Production.

While not in school, Stewart worked at KTRE-TV.

Janece Partridge, September's Sophomore Citizen of the month, began high school actively.

As a member of the Sophomore Class Council, Leo Club, and tennis team, Janece earned recognition early.

During the summer of 1975, she competed in the Lufkin and Henderson Open Tennis Tournaments, earning trophies in both.

On October 7, 1975, some students from across the river visited the campus in the early morning hours. They were from Nacogdoches and came equipped to leave our campus covered with the letters NHS.

Besides being caught and paying for the damages, the people who did this succeeded in firing up the Panthers for their first district game. The Pack handled the Dragons with ease, defeating them 38-8.

Emperor Hirohito of Japan began a 15-day good will tour of the United States on Oct. 2, 1975. This marked the first time for a Japanese emperor to visit the continental United States.

Hirohito once before planned to visit the US, but his hopes were cancelled by World War II. During his tour, he made several references to the war, taking full blame for it and describing it as a very tragic conflict for both nations.

Today the 74-year-old emperor no longer holds the power once vested in him, but is still held in reverence by his people.

Senior Citizen of the Month for October was Trent Squyres. Beginning his senior year, Trent had many school activities to his credit.

Some of these activities included Leo Club, Junior Historian president, Dramatics Club, and Junior Class president.

Trent also served as editor of the 1976 FANG, Senior Class Council member, and Band captain.

Gary Porter was October's Junior Citizen of the Month.

Gary, a member of the Panther Band during his sophomore year, has been in the A Cappella Choir and PASF for two years. He was also elected Key Club secretary.

Jayme Partridge, October Sophomore Citizen of the Month, joined Leo and Dramatics Club early this year, and planned to contribute her tennis skills to the high school tennis team when the season opened.

As a member of the Junior High East team, Jayme won a first place trophy along with her sister Janece in District Girls' Doubles.

On November 28, President Ford announced his nomination of John Paul Stevens to the United States Supreme Court. The post had been made vacant on November 12 by the resignation of Justice William O. Douglas.

The new nominee is considered to be a moderate conservative and is expected to continue the conservative trend of our highest court in recent years. Stevens was considered to be somewhat of a "dark-horse" choice for the position and his nomination came as at least a mild surprise to most Washington observers.

President Ford commented on his past record and qualifications as being excellent and urged "prompt confirmation" by the Senate. No major opposition to Stevens is expected by the Congress.

The Senior Citizen of the Month of November was Karla Smithhart.

She was active in the Leo Club, in which she served as secretary her senior year. She also served as secretary of the Senior Class. She was a two-year member of the Future Homemakers of America.

Karla hopes to extend her education at Texas A&M and major in accounting.

The Junior Citizen of the Month for November was Mark Casburn. During the past two years he has been involved in many school activities.

Although Mark plays baseball, football has been his primary extracurricular interest. This year he was awarded Honorable Mention All-District Offensive Tackle.

Mark has also been an active member of the Key Club and FCA.

Mark was later elected Junior Citizen of the Year.

Fran Hunt, November's Sophomore Citizen of the Month, began taking advantage of high school life early.

Before school started, she was chosen as one of the nine Panther Band twirlers.

She is a member of the Sophomore A'Cappella Choir, CIA, Dramatics Club and FTA. She was also selected as Lufkin's Miss FTA.

On Dec. 24, Christmas Eve, Santa Claus made his annual trip around the world to deliver toys to all good little girls and boys.

Santa's elves had his reindeer, including Rudolph, hitched up and the 4,383,462 toys ready to go at 6:24 p.m.

He made his first stops in Asia and Europe, then made it by Australia, Africa, South America and finally North America.

Santa then arrived back at the North Pole at 3:45 a.m. He then settled back to rest up for Christmas next year.

The Senior Citizen of the Month for December was Will Hudgins. At LHS, Will was active in almost all fields. He was second lieutenant in the Panther Band, first chair in State Band, member of the All-District Choir, president of the A'Cappella Choir, treasurer of the Dramatics Club, and a member of the Key Club.

Will began performing in the spring musical productions when he was in the fourth grade.

Mary Hensley has many club activities which earned her the title of Junior Citizen of the Month for December.

This year, Mary's activities include being a member of Future Homemakers of America, DECA Secretary, and Junior Class Council.

Mary's activities last year were Future Teachers of America and FHA.

Sophomore Citizen of the Month for December was Joe Kerr.

Joe was a member of the Key Club and Dramatics Club, and was active in the FCA. He played on the Junior Varsity Football Team as a tackle and defensive end.

Jose Miquel Triarte Chirinos, a foreign exchange student from Peru, arrived in Lufkin January 11, and spent two months at LHS learning a new language and new customs.

Miquel, one of six children in his family, was born in Lima, Peru. He is 16 years old and a senior in his school.

He liked American schools because he could choose his classes. In Peru, students are required to take math, English, Spanish, art, religion, P.E., physics, and chemistry. There are no elective courses. Peruvian students also have to wear uniforms, but Miquel preferred the blue jean-type attire at High School.

He wants to attend Sam Houston after he graduates.

On January 18, 1976, the Pittsburgh Steelers and the Dallas Cowboys met for Super Bowl X. Pittsburgh had been the favorite returning for its second try at the Championship. Dallas had played on luck and defense to win a wild card shot at the Super Bowl. The Steelers were a touchdown favorite in most sportswriters' polls.

Dallas scored first and looked strong holding a 10-7 lead until just before the half when they had a punt blocked for a safety and the Steelers got a field goal to lead at the half 12-10. Dallas was staying with its game plan to Franco Harris, which was all most people thought they would have to do to win.

One person Dallas didn't count on was Lynn Swan. He had four catches for 168 yards and one touchdown. All came at exactly the right second and were all spectacular.

The Steelers beat Dallas 21-17.

Senior Citizen of the Month for January was Debbie Rodgers.

Debbie has been a member of the Panther Pride drill team, Senior Class Council, National Honor Society, A'Cappella Choir, Pep Squad, French-German Club, and Dramatics Club.

Debbie has also served as National Honor Society secretary and was elected to Who's Who in LHS.

The Junior Citizen of the Month for January was Jay Clement. He has been in A'Cappella Choir for two years and was selected for All Region Choir.

Jay has been an active member of the Dramatics Club and the French-German Club. He is also a member of the Jets Club.

Jay was on the FANG staff his junior year. He also served on the Junior Class Council.

Hansel Burley, Sophomore Citizen of the Month for January, came to high school well known. He was president of the Student Council at Junior High East.

This year Hansel was a member of the Debate Team and One Act Play Cast.

Later, Hansel was selected by the faculty as the Sophomore Citizen of the Year.

On March 29, 1976, at the 48th Annual Academy Awards "One Flew Over the Cuckoo's Nest" became the first motion picture to sweep the four most prestigious awards since 1934.

Along with being named best picture, Jack Nicholson was named best actor, Louise Fletcher was named best actress, and Miles Forman won best director.

"Cuckoo's Nest," a story of a rebellious group of mental hospital inmates and a strong-willed nurse who kept them in line, proved to be successful after a 15-year struggle to get it on the screen. Kirk Douglas tried to turn the book into a movie 15 years ago, but was never able to get Hollywood interested.

Kirk Douglas' son got interested in the venture and wound up as co-producer of the film. Micheal accepted the Oscar for best picture saying, "To anybody who's got a dream and there's a possibility that it's not going to be a reality, just hang on, it'll be all right."

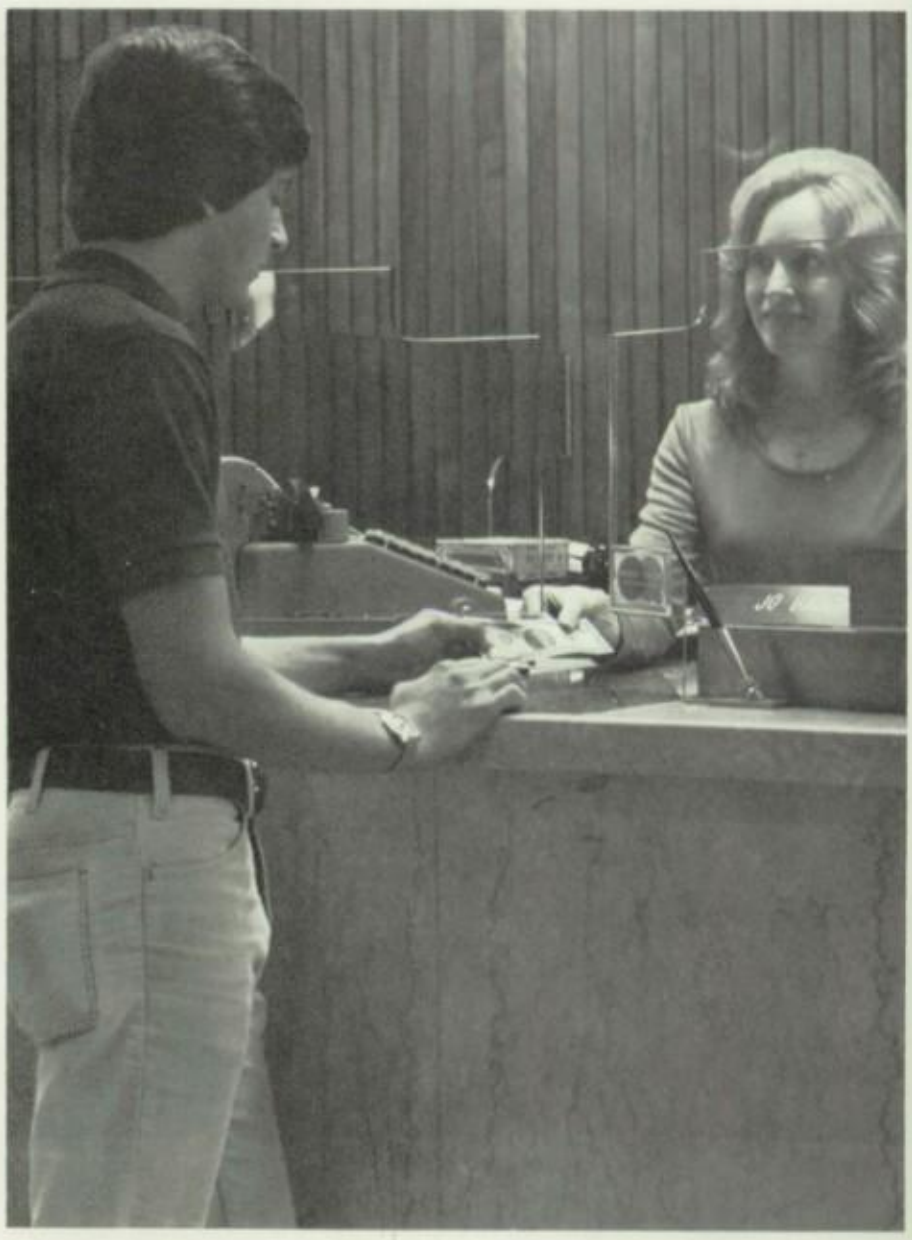
For more than 100 years, the $2 bill was a staple of American currency. Even though many people considered it something of a bad-luck piece and tore off the corners to remove the jinx.

By 1966, Americans were returning the bill to banks in such large numbers, apparently because they were tired of confusing it with the $1 bill, that the U.S. Treasury Department pulled the $2 bill off the market.

In November, 1975, the Treasury announced plans to print the $2 bill again which came out on April 13, 1976. This date was chosen to commemorate Thomas Jefferson's birthday.

The Treasury figures the $2 bill will save about $4 million a year in printing costs by cutting production of $1 bills and printing $2 bills instead.



Donna Smith, Senior Citizen of the Month for April won first place in the Bicentennial Essay Contest of the Texas Freedom Forum and participated in the concurrent student program at Angelina College.

Donna's school activities include FHA, FTA, Leo Club, Mu Alpha Theta, National Honor Society, and Senior Class Council.

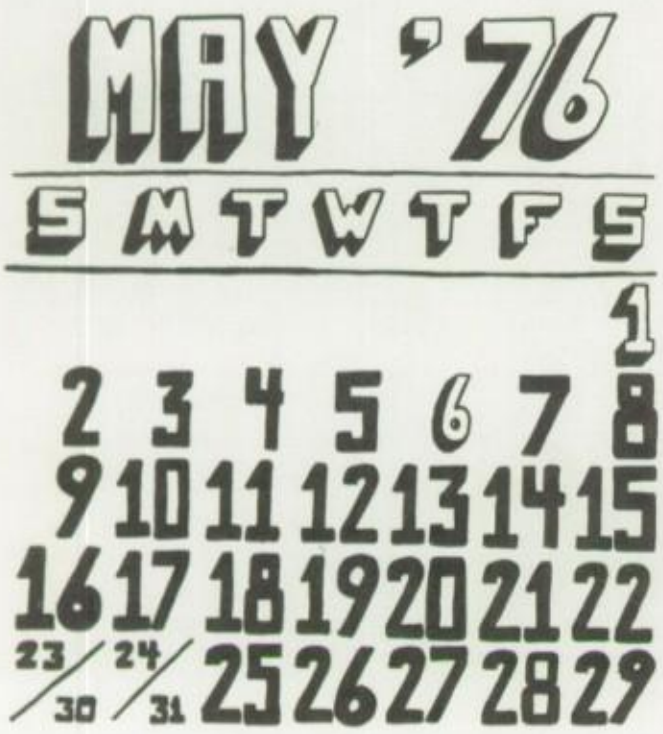
(c) Mr. Wolters and his student teacher, Mr. Hyman, took a group of students on a survival camp. They were Jeff Knutson, Jeff Havard, Jesse Graves, Steve Widner, Scott Hutchins, Larry Walker, David Orman, Mark Conway, Mike Bronaugh, and Larry Scott.

The sound of music filled the air in May concerts, contest and sweepstakes awards. Both Panther Band and Choir brought back Sweepstakes Trophies from UIL contest to add to their collection.

The band went first, taking two bands to contest for the first time. The first band succeeded in capturing the coveted award with a first division in marching, concert, and sight-reading. The second band performed excellently, receiving a second division in concert and a first in sight-reading. The second band had the highest rating of all second bands in 14-4A competition.

THe Choir went to contest May 6 and competed with equally successful results. The A'Cappella and Sophomore A'Cappella both swept the rating with straight ones to sweepstakes.



The Texas presidential primaries were held May 1 and had several surprising results. Perhaps the greatest surprise was the record turnout in the Republican Primary. Political observers attributed the large turnout to the conservative Democrats who crossed lines to vote for Ronald Reagan.

Ronald Reagan won an outstanding victory in the winner-take-all primary, receiving 96 of the 100 Texas delegates to the Republican National Convention in Kansas City. The loss set President Ford's campaign back severely, since he had campaigned longer in Texas than any other state.

Jimmy Carter won the Democratic primary overwhelmingly, with slight competition from George Wallace, and favorite son candidate Lloyd Bentsen. Carter's victory in Texas began to make critics in his party admit he might win the nomination.

Senior Citizen of the Month for May was Micheal Glenn Parker.

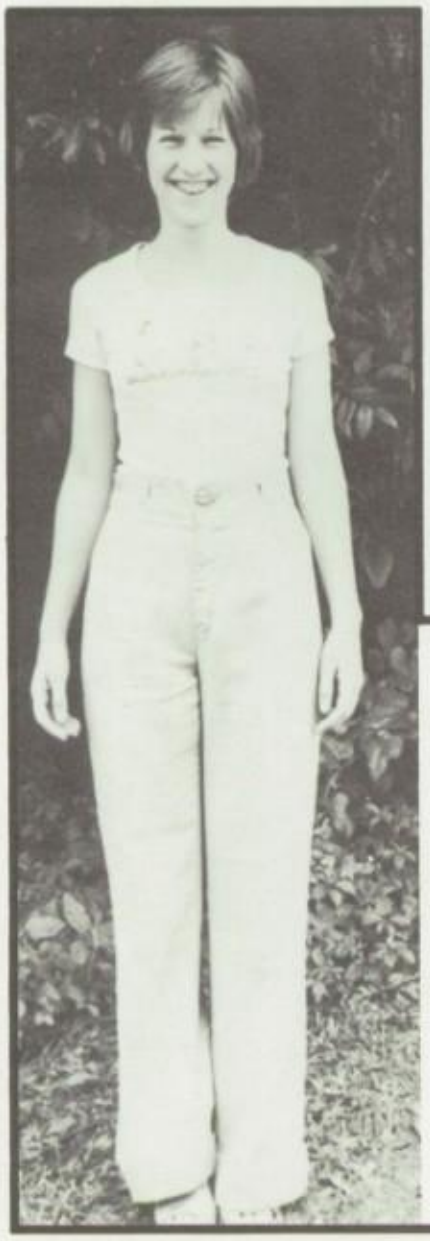
He has been past president of Mu Alpha Theta, Red Cross, vice president and chairman of PASF. He received the E. E. Hess award.

Micheal has also been a member of JETS and Junior Class Council.

The Junior Citizen of the Month for May was Beverly Williams.

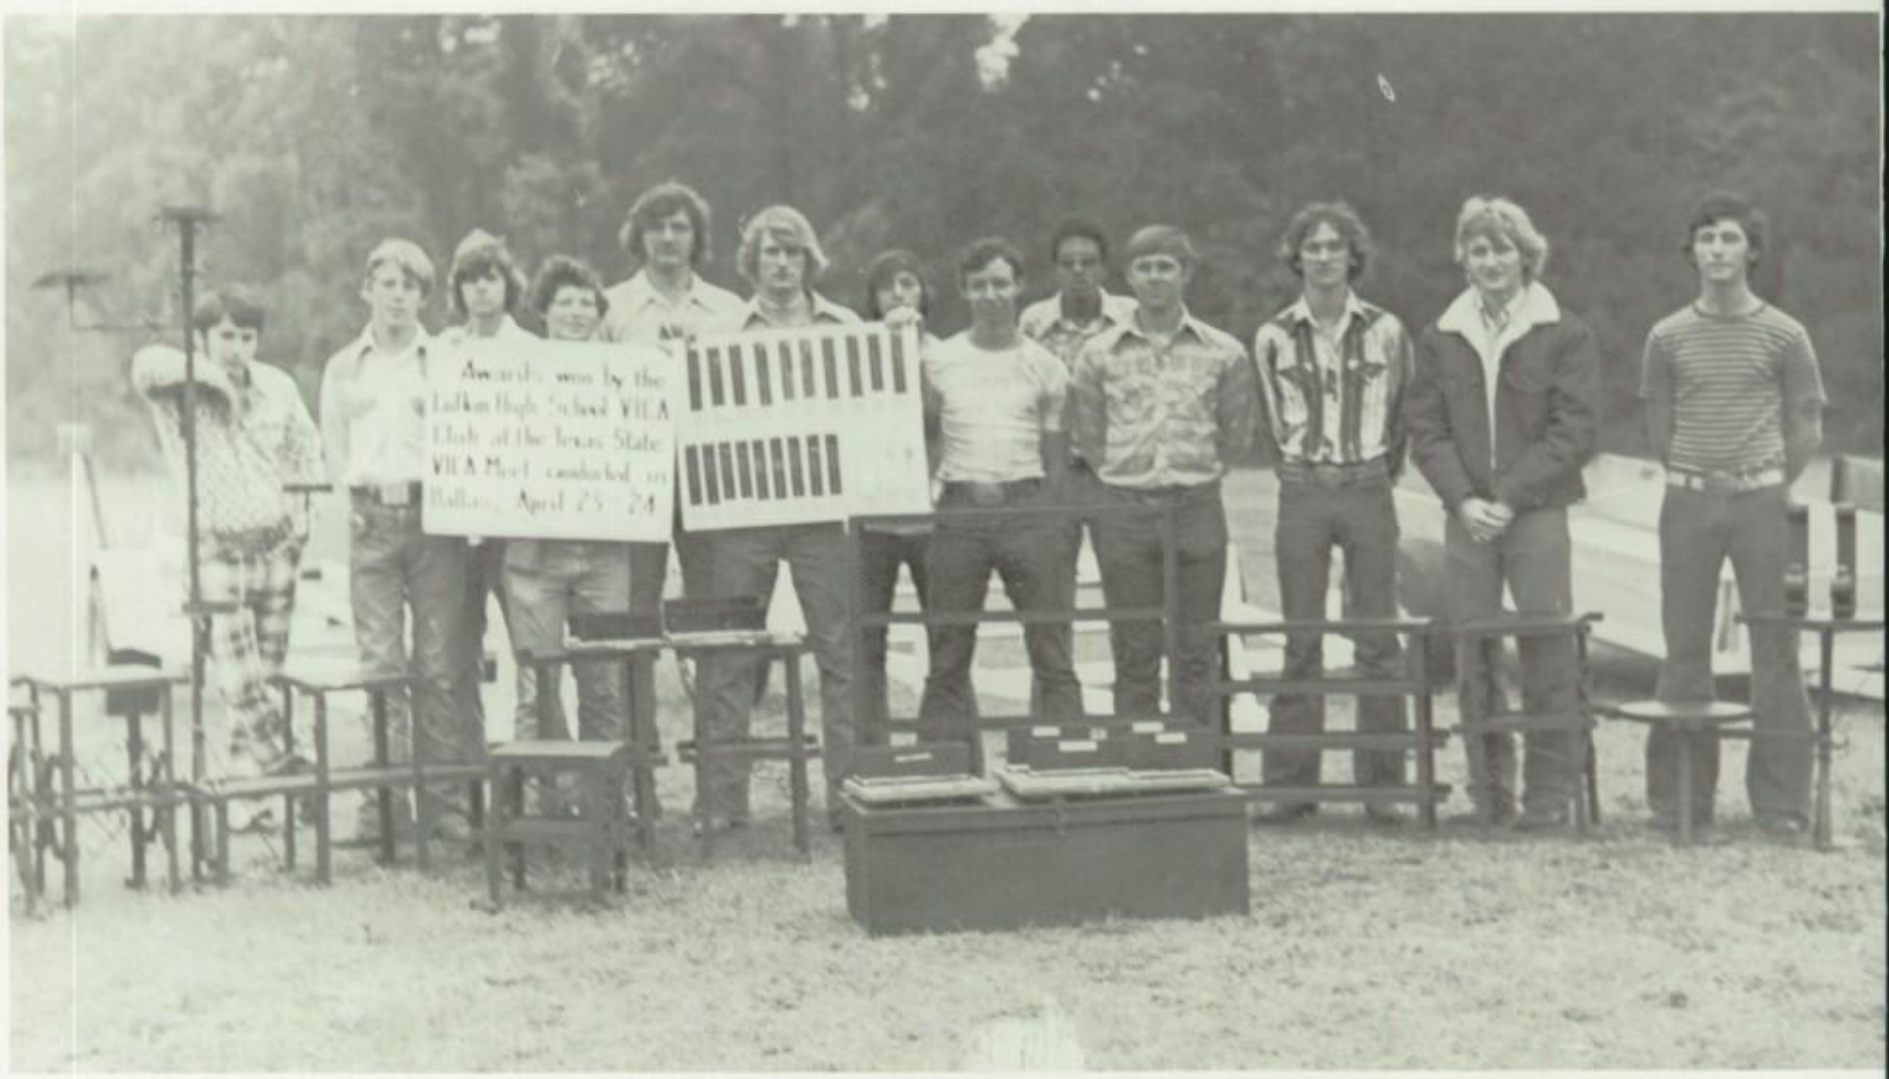
Talented in the music field, Beverly is a member of the Panther Band, A'Cappella, All-District, and All-Region choirs.

Other organizations she was active in were the Dramatics Club and the Junior Class Council.



The Sophomore Citizen of the Month for May was Pam Gardemal. Pam has become very active in Lufkin High, belonging to the PASF, Leo Club, and Pep Squad.

During May, Pam was also chosen to be a member of the 76-77 Panther Pride Drill Team.



VICA members who won awards at the Texas State VICA Meet April 23-24 are as follows: Roger Harbuck, tool box; Bubba Kessinger, ornamental iron work; Wes Hutto, ornamental iron work; Billy Killam, ornamental iron work; David Jumper, farm trailer; Chris Morris, farm trailer; Mike Torres, ornamental iron work; Doug Moses, boat trailer; Del Roy Davis, arc welding; Randy Russell, farm trailer; Mike Smith, ornamental iron work; Dean White, ornamental iron work; and David Brown, ornamental iron work.

The "Learn and Live" team, Barry Nash, Janet Bazar, Kathryn Payne, Anna Wieder, won the district championship in traffic safety.

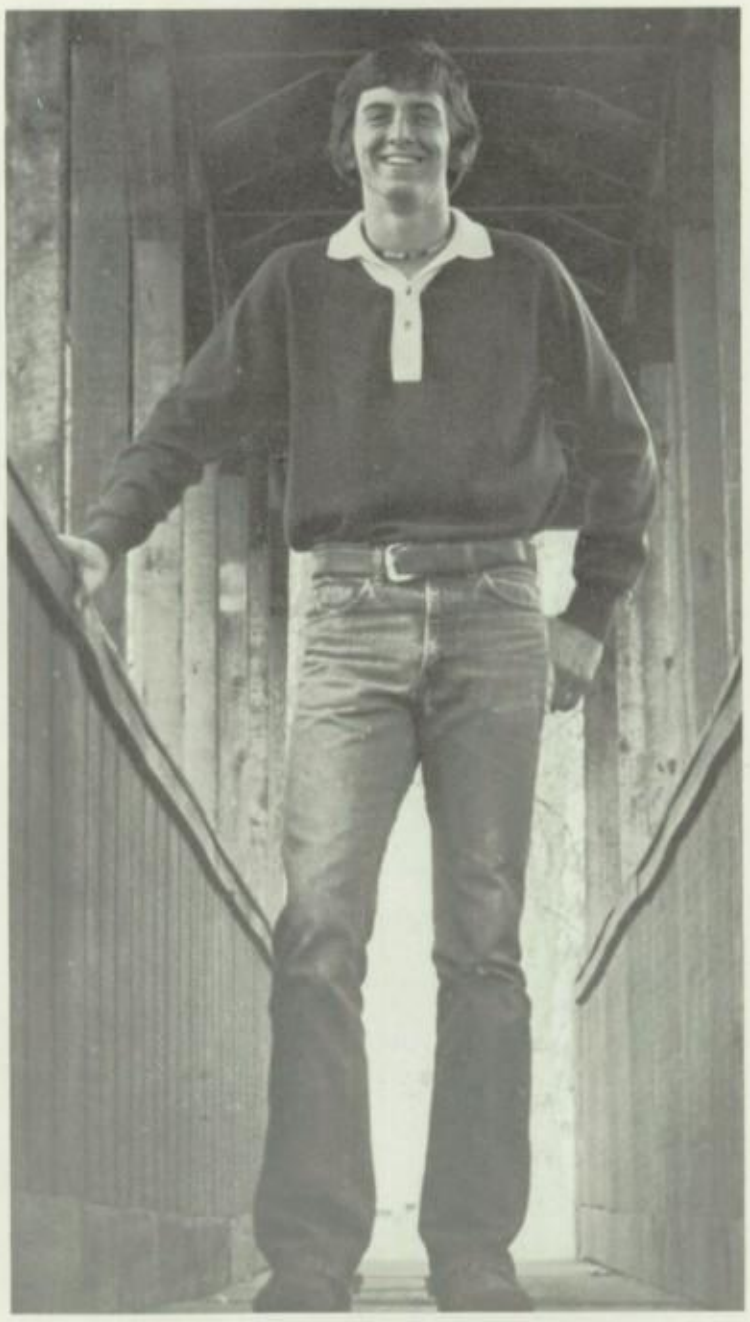
SENIORS



The senior class president for 1975-1976 was Mark Reily.

While in high school, Mark has been active in numerous activities and clubs. Such clubs have been Key Club, PASF, Yearbook Staff, Sophomore and Junior Class Councils, and also lettered two years in football.

Mark believes a class officer should be someone the students can depend on to do the duties of his office.

Vice-president of the senior class, Sam Satterwhite, enjoys sports and has played varsity baseball while in high school. He also has been a member of PASF, Leo Club, and a photographer for the FANG.

According to Sam, a class officer should be reliable to his fellow students and teachers and dependable to do a job in any unexpected notice.

SENIORS

Treasurer for the senior class was Dala Nicholson.

Dala has been active while in high school. As a member of CIA, JETS, Leo Club, Ecology Club, Junior Historians, FHA, Pep Squad, Panther Boosters, and Yearbook Staff. Dala was also a member of the Sophomore Class Council and served as treasurer for the Junior Class.

A class officer, says Dala, should be dependable and perform the duties to best advantage of the students.

Karla Smithhart, secretary for the senior class, has also been involved in Quill and Scroll, Yearbook Staff and National Honor Society. She served as Leo Club secretary, and of the pep squad, FHA and Panther Boosters. She was selected by the faculty as a citizen of the month.

Karla says that a class officer's responsibility is to meet the challenges and the needs of the class.

JUNIORS

President for the 1975-76 junior class was Charlie Kimmey.

He was involved in many activities during his junior year. These included Key Club, FCA, and French-German Club. Also, he has played baseball since he began high school.

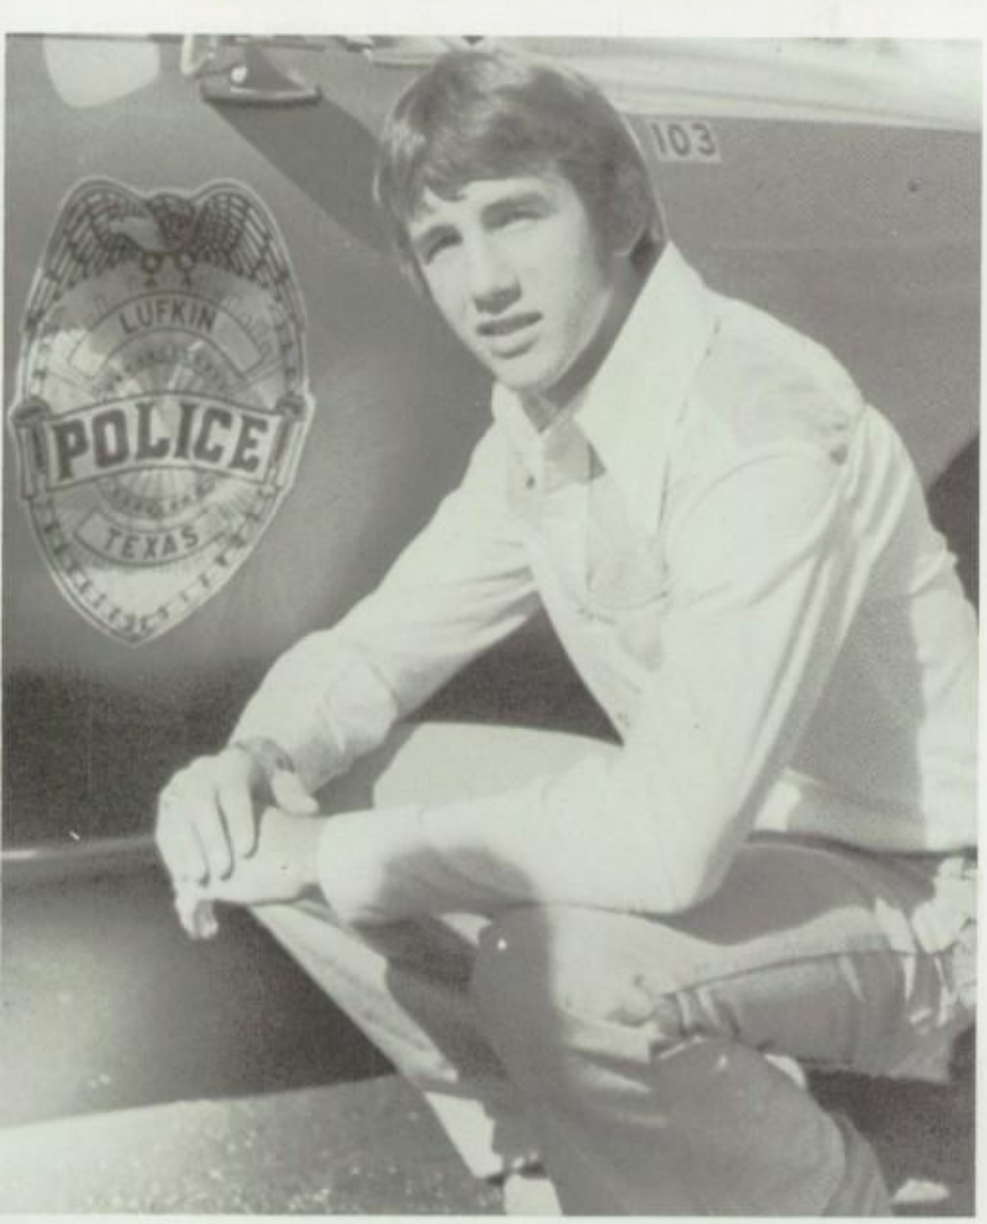
Charlie feels a class officer should be honest, hardworking, dependable, and actively involved in his school.

The junior class vice-president, Theresa Lazarine, was an active member of the Ecology Club and was sophomore favorite. After she graduates, Theresa plans to major in child psychology at Texas A&M.

She thinks a class officer should be an outgoing, energetic person, able to speak out for what he wants.

Debbie Due, Junior Class secretary, enjoys singing and was a member of the A'Capella Choir and the Now Generation at the First Baptist Church.

According to Debbie, friendliness and leadership ability are the essential qualities that a class officer should have.



The junior class treasurer was Charlie Jumper.

Tennis takes up most of his time, for he was on the tennis team his sophomore and junior years. Charlie was also an active member in the Key Club, Dramatics Club, PASF, and Leo Club.

Charlie thinks a class officer should be responsible, dependable, and able to communicate with faculty and student body.

SOPHOMORES

Leading the 1975-1976 sophomore class was Class Council president, Winfred Tullos.

During the past year, sports have taken up most of Winfred's time. When he was a sophomore, he played varsity football. He also threw shotput and dicus in track and was a member of FCA.

"To be a class officer, a person should be intelligent and considerate, but must also be well organized both mentally and physically."

Vice-president of the Sophomore Class Council was Jay Lindstrom.

He enjoys singing and was a member of the A'capella Choir. He also participated in one act play in dramatics.

"A class officer should do what will best benefit the students and they should be the first concern," says Jay.

Serving as treasurer for Sophomore Class Council was Jeff Knutson.

His favorite sport is tennis and he played on the tennis team for the past year. Jeff is also interested in Spanish and was a member of the PASF.

Jeff believes, "A class officer should be able to relate with his fellow students and should express their needs and feelings."

The Sophomore secretary was Jay Wallace.

He feels debate is important and was on the debate team his sophomore year. He was also a member of FTA.

Jay feels, "A class officer should be able to communicate with the faculty and students. He should be a well-rounded person, active both academically and socially."

Art Center comes to Lufkin

Caricatures and cartoons from the Amon Carter Museum of Western Art was the second exhibit in the Historical and Creative Arts Center. The Lufkin Service League opened the center in the old Episcopal Church on January 20. The first exhibit was related to the theme of "Before There Was a Lufkin." The exhibits were changed every six to eight weeks in order to keep up interest.

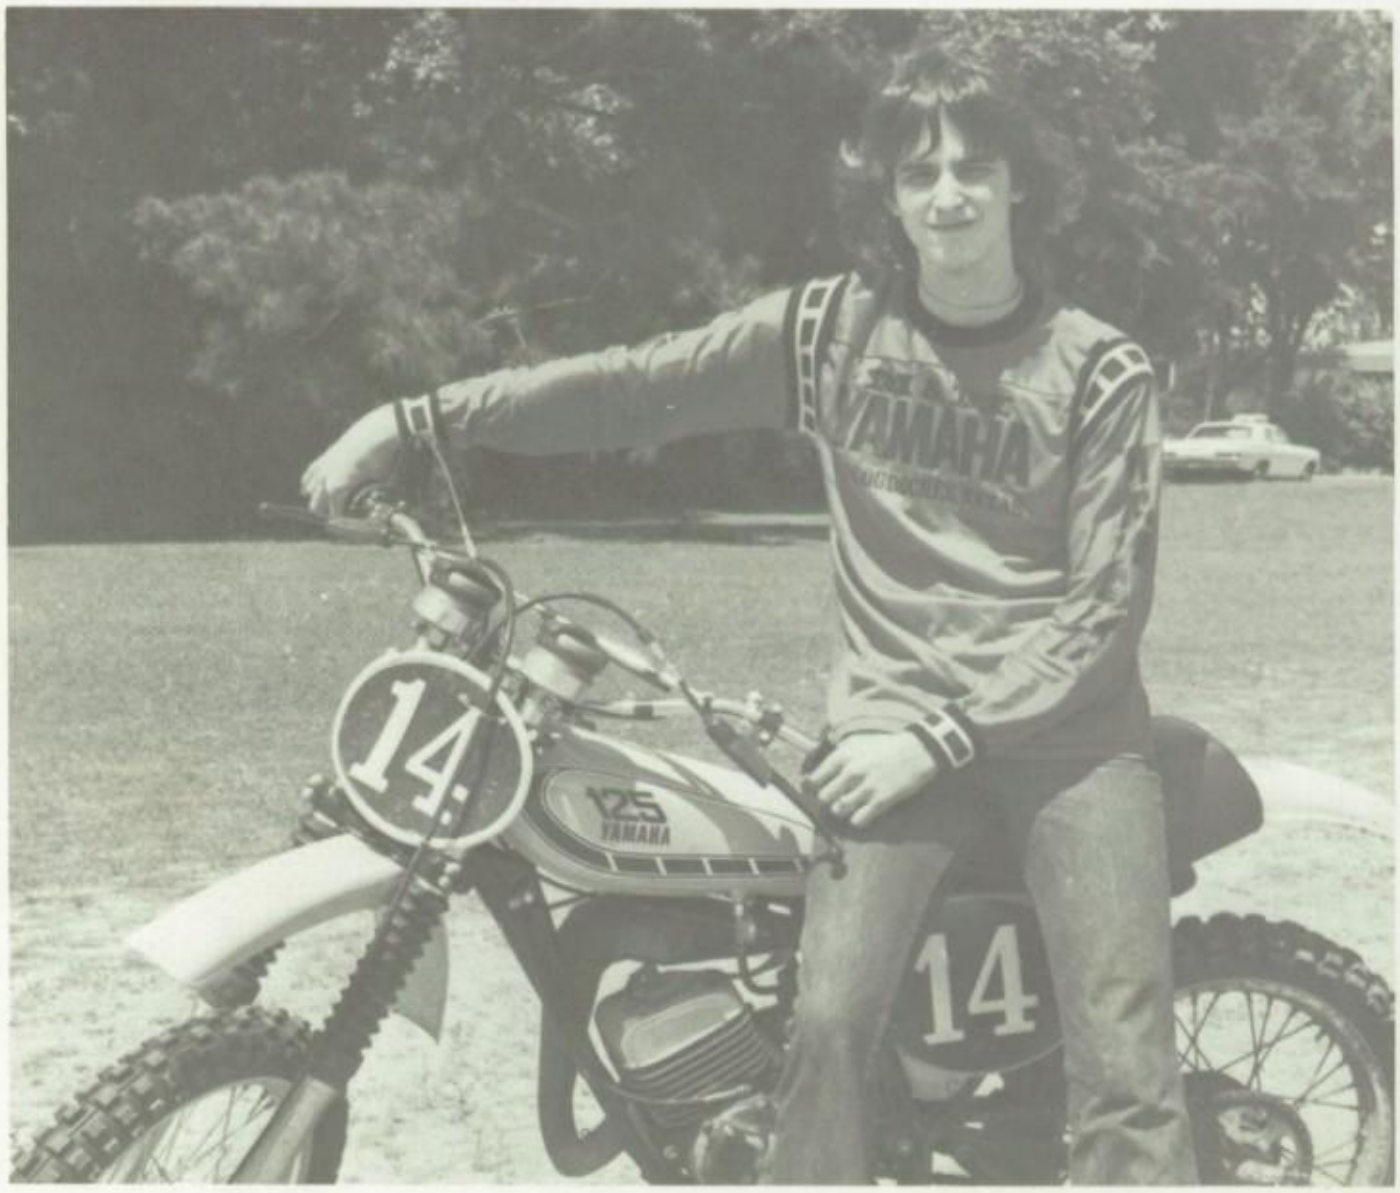
The Year 1975-76 is
gone,
And now part of 200
others very much like it.
This year saw happiness,
success, and victories,
But was not without a fair
share of sorrow, strife
and defeat.

Each time we fell short of
our intended goals,
Our desire for ultimate
success grew,
And our quest was finally
reached.



For many, this year was
the last at Lufkin High.
They made their mark,
and had their say;
Whether good or bad,
will be decided in time.

Memory-
I hardly know where to start. You are a great person with so much going for you. I will always remember Mr. Torres' class, all the fun times we had. I hope you will be careful with everything you do ! not get into trouble. You keep trucking in your little black bug and I'll keep trucking in my little green bug. Good luck in everything that comes your way!

Love,
Susan Stephens

Srs. "78"

Dear Memory,
P.S. The only thing I have to say is that I like you alot and you are one of the coolest "White" (Smile) persons I've ever known. Keep the good work up. And keep on trucking in your Black V.W.
Love Ya
Karen
Graduating Sr. "77"
Hey !

Memory;

You know there's not any words I can put down on this whole page that can express how I feel about you. I couldn't of ask for a better friend. God only knows how much of sister you are to me. If you had'nt come along I probably would of went crazy. Just knowing you has changed my whole life. ~~Meeting~~ you & knowing that you cared and understood me really means an awful lot to me. You are if you didn't know, my big sister. I depend alot on you & I love you alot too. I don't think I would've been this close to my sister. I'll always remember you & the times we had (in the black bag.) I loved having choir with & I wish I had more classes with ya. Thank-you for everything, thanks for helping me with my problems (parents & things) & thank you for your wise guidance. There's not really much else I can say except that no matter what we'll always be your friend through thick or thin.

Love you MEMORY BUCK!

Behave; okay?

Love ya more a sister than friend,

Carolyn Whisenant Sr. '78

Memory,

Hey I don't know where to begin! I would like to say that your a super kool friend! I will never forget you. You have been like a sister to me and you are always there when I needed you. You seem to always help me out of my problems. (BOBBA) I will never forget the time you had to go through all of that hell with me when I like bubba. Thanks for being there and helping me! I wish my match making would have come through but don't worry about. you can always get someone else! He is just not good enough for you! I sure hope we can be friends for ever. We didn't really start getting along till last year. It took a while to understand you but we could it was worth it. We have had our fights and ~~had~~ or misunderstandings but we always seem to pull through. Let's just "Hang In" and be friends for ever. Just remember about those 3 bears at "Veng sons". Sorry that I am taking up the whole back cover but you took up my page and I just had alot to say! Even if it doesn't all make sense. I just don't know how to write my feelings. I get all mixed up. Any ~~at~~ way I just want to give you my thanks. I will always you remember you!

(how can I forget hee hee)

Love Ya
